

Cultural Experience Review

Here at New Forest Children's University, we really value cultural experiences, whether this is visiting a museum, an exhibition, the theatre or many more experiences and activities that help us to develop a better understanding of the world we live in! Having these experiences are so important and whilst we may not be able to validate every single cultural experience out there, but we want to be able to recognise and reward you taking part in these experiences.

To earn a 1hr stamp for your passport, we would like you to review the cultural experience you have taken part in. Please complete the template below, sharing what you have learnt by your experience and how you could develop your knowledge and understanding further! Please send it to us and we will also be able to pass this onto your school so that they can see what cultural experiences you have taken part in!

Notes:

- Each full school year, you can earn a maximum of **10 hrs** worth of stamps for completing this activity (a 1hr stamp for each different Cultural Experience Review that is completed).
- Once completed, please email to newforestcu@gmail.com and we will send you a Learning Credit Slip with your Children's University Online code.
