How to Claim Credit Codes

What you need to do when your child has completed one of the activities in our pack. Make a record of what they have done on the grid below and send this with photo evidence of the activity. Your child does not need to be in the picture. When we receive the list, we will send you the code to log onto your child's CU Online account.
If you can't remember your username or password, let us know and we will reset it for you.
Also, if your child regularly attends activities outside of school (sports, dance, uniformed organisations etc) you can send us the details to claim credits for these too.
